### Brief History:

I have lived in the Candlewood Shores community since April 2014, with my wife and child. I presently serve as the Secretary for the CSTD Board of Directors. I have extensive experience in government service, in the areas of government administration, compliance, capital budget planning, community engagement, legislative advocacy, project management, grant management, program administration and emergency planning. Additionally, I serve as Secretary, on the board of directors, for a Connecticut based organization. I am a college graduate, with a Master's degree.

### Why would you like to serve on the Board?

When my wife and I were looking for our first home in the Greater Danbury area, we were drawn to the Candlewood Shores community. In my experience living here over the past six years, I feel that this is one of the nicest lake communities in the Candlewood Lake area, both for its amenities and the great sense of community. As Secretary of the Candlewood Shores Board of Directors, I want to contribute in a way that helps keep that going.
