## Brief History:

I have lived in Candlewood Shores since 2003 and I would like to offer my services for the open position on the Board. I normally travel a lot for business to Canada and want to make sure that this position is represented by me as best as possible. My hope is that you keep both zoom and in person available so that if I'm in Canada I can zoom in for the meeting and represent the Shores at all meetings.

## Why would you like to serve on the Board?

I am more than ready to offer my time and service to the Board in any way I can to help with all the decisions and operations handled by the Board.
