Brief History:

I am writing to express my interest in the secretary position that has been unoccupied for a short time. I have been a resident of this community for almost two years, and I am passionate about being involved and making a difference.

Why would you like to serve on the Board?

I believe that the secretary plays a vital role in the board, and I am confident that I have the skills and experience necessary to be successful in this role. I am a highly organized and detail-oriented individual, producing accurate and timely minutes. I am aware that the minutes of the meetings have been insufficient in the past, which has allowed speculation and misinformation to spread. I am committed to ensuring that the minutes are accurate and comprehensive, and that they are distributed to the board members and the community in a timely manner. I believe that this is essential to restoring harmony and trust within the community.

You are currently serving on the CSTD Board. Explain why you would like to re-run.
