Brief History:

I have been a resident of Candlewood Shores for 44 years. We have raised 3 children and now 3 grandchildren on the lake in Candlewood Shores. I have witnessed all the improvements in the Candlewood Shores community and am grateful for all the hard work of all the previous and current Board Members who have volunteered their time and efforts to make the Shores the wonderful community it is today. Now that my children are all grown and I am retired, I have the time and energy to “give back” as a way of saying thank you for 44 wonderful years in the Shores. As far as my qualifications, in my business career, I was the owner of a soft goods business that designed and manufactured (both domestically and internationally) for major retailers in the US. Based on my role as Owner and CEO, I have experience in board meetings, finance and accounting, as well as negotiating contracts. It would be my honor to serve the families of Candlewood Shores and represent their interests, needs and issues on the Board.
