**(Robert Yamuder)**

**Attachment "A"- Brief History**

I have over 20 years experience as a professional Public Administrator holding a Master degree in Public Administration. I have dutifully served at the highest levels of local municipal management through my career in responsible charge over budgets, risk and safety management, large capital infrastructure projects from planning to bidding and negotiating contracts to completion, regular attendance at Board meetings, community representation, human resource management, communication between the public and elected officials on local, state and federal levels.

I believe my knowledge and experience concerning the management of all facets of local government issues will be a valuable asset not only to the CSTD Board but also to the Candlewood Shores community at large.

**Attachment "B"- Why would you like to serve on the board?**

My family and I are permanent residents of the Candlewood Shores community and we believe in building and maintaining strong ties to the community. Volunteerism has always been an important part of my life and I see serving on the CSTD Board- given my strong background in serving local government- as an excellent opportunity to continue this effort to serve the community in which I am proud call home. I have a proven track record of consensus building on both day-to-day tasks and complicated municipal issues to ensure the CSTD will move forward with community input and open communication for the betterment of all residents concerning environmental, fiscal and infrastructure improvements.
