Brief History:

My wife Kathleen and I have proudly called Candlewood Shores home since 2017, and we've truly come to cherish everything that makes this community so special. With over 30 years of experience in finance, I've led IT and operations teams at several international firms. Along the way, I've served on a number of industry boards, where I gained a deep appreciation for the power of collaboration in driving meaningful progress and making thoughtful decisions.

It's been an honor to serve on the Candlewood Shores board over the past year. I'm excited to continue working together with all of you to address our community's challenges and support its continued well-being. As a father of two and grandfather of two, I'm deeply committed to ensuring that future generations can enjoy all that Candlewood Shores has to offer, just as we have.

Why would you like to serve on the Board?

My primary goal in continuing to serve as a board member of Candlewood Shores is to use my experience to help drive meaningful improvements in our community. I've led large teams on complex, long-term projects, and I believe that background positions me well to address the key issues we face, particularly in areas like water management, safety, and security.

I understand the importance of listening to every voice, and throughout my career, I've learned how to hear diverse perspectives while still moving forward to find effective solutions. I'm confident that my skills and experience will make a positive impact for Candlewood Shores.

If you are currently serving on the CSTD Board, explain why you would like to re-run:

First and foremost, it has been a great honor to serve the Candlewood Shores community and Board this past year as a Director. Over the past year, I've offered thoughtful perspectives and constructive input on the key issues the Board has faced. I believe I can continue to contribute in a meaningful way and remain committed to supporting the best interests of our community.
