Brief History:

My wife and I purchased our home in the Shores 5 years ago, and she has been coming to the Shores for over 20 years. I have extensive professional experience in financial and legal areas, and want to contribute this ability to the community.

Why would you like to serve on the Board?

I love the sense of community that exists in the Shores, and want to help this grow in the years ahead. The Board, along with many other volunteers, plays an important role in supporting the social activities, rules and ordinances, and decision-making for this.

If you are currently serving on the CSTD Board, explain why you would like to re-run:

I have enjoyed serving on the Board and would like to continue the work that has been done on several important projects. I have spent significant time working with the Ordinance Committee and Blight Panel, and many other projects.
